END OF WORSHIP ... BEGINNING OF SERVICE

We light two candles in worship. The white candle reminds us of the presence of Christ’s spirit in worship. The smaller candle is in a candle holder made by a member of our partner church, Iglesia El Divino Salvador in Guatemala, and it reminds us of our covenant with them.

Today’s liturgist: Andy Morse

Today’s greeters: Bunk and Nancy Spann

An Evening at the Arboretum

Does an evening of music and strolling through the Arboretum interest you? If so, join us on Thursday, September 30 from 5:30-8:30 PM, at the Baker Event Lawn to enjoy music, fellowship and the beautiful gardens. You are welcome to bring a lawn chair and snacks. The Bent Creek Bistro will be closed, but you can place an order by 11:00 AM on the 30th to be picked up at the Baker Information Desk between 5:30-6:30 PM. There will be a place to purchase beverages. The event is free, but parking fees or a pass will be taken at the entrance. If you do not have a pass, please contact Margaret Marsh at margaretmarsh@bellsouth.net or by phone at (256) 565-8075, and she will make arrangements for you to ride with a pass holder. For more information go to www.ncarboretum.org, then click on Exhibits and Events. You will see a listing of the musicians—however, they may change. What a wonderful way to spend an evening together enjoying our beautiful mountains!

Experiencing Authentic Community: A Faith Formation Group

Over and over again, we have heard that we are the body of Christ. But what does this mean in terms of our everyday lived experience in community with one another? How would our community at New Hope be different if we internalized and acted on this truth together?

In her book *Searching for Sunday*, Rachel Held Evans reminds us that church at its best is a place where after confession—after we acknowledge our questions, our doubts, our fears, our injuries, our pain

—we find healing and reconciliation together, in community. Can you imagine going that deep with your community here at New Hope?

After months of being physically distanced, and of connecting online, what yearnings do you have for community? And, how are we in community with the greater community beyond the walls of our church?

These are the kinds of questions that we will ponder and discuss in New Hope's first Faith Formation activity of 2021. We will meet in person, in the Fellowship Hall, where we can maintain the appropriate physical distance. Those who would like to join remotely may also do so. We will meet on five Thursday evenings from 7:00-8:00 PM, beginning on Thursday, October 21 and ending on Thursday, November 18. To register, please contact Erin at (828) 274-0191 or officewhopecusa@gmail.com.

Worship bulletin announcements for Sunday, October 3 are due to Administrator, Erin May, by noon on Wednesday, September 29.

New Hope COVID Policy

Mask Up! Whether you are vaccinated or not vaccinated you need to wear a mask while inside the church.

Please sanitize your hands upon entry. Hand sanitizer is available at all entry points and in various other locations around the building. Remember to keep your hands washed as needed.

Please stay away from church IF you are sick, have COVID symptoms, have been exposed to someone with COVID, or have been out of the country. Then, please wait two weeks before returning. We invite you to join us for worship online in the meantime!

Please do not move any of the chairs in the sanctuary. Our new seating layout took a lot of exact measuring and effort to set up, so we would appreciate it if you would refrain from moving seats.

Please observe a “touchless” Passing of the Peace of Christ. While individuals may use their own discretion about accepting hugs and handshakes outside of the sanctuary, during the passing of the peace we will refrain from touching so that those who aren't comfortable with that yet aren't put on the spot. (And, when you're outside the sanctuary, please ask before you hug someone to make sure they're comfortable.)

Please refrain from singing along with hymns for now. While we hope it won't be too much longer until we can include full congregational hymn singing and the choir in worship, we are easing into that by taking some baby steps first. For now, we'll have a small ensemble of singers leading each hymn in parts from up front. Of course, we'll still get to enjoy Rob's beautiful music as always!

Please do not let the Narthex get crowded. We will not be serving coffee or food after worship for now. As you leave the sanctuary, please make a conscious effort to help the Narthex not get too crowded by spreading into outdoor spaces to socialize if a lot of people are present.

Please refrain from using drinking fountains. If you're thirsty, you are welcome to get a glass of water to drink from the kitchen downstairs.

Please know that the Session may change this policy, either by loosening or tightening these restrictions, as circumstances change.

Bear with one another in love (Colossians 3:13-14). In any community, there are different opinions about how to go about doing things. We know that some folks wish we had more restrictions, while others wish we had fewer. The above is the Session's best discernment about how to care for our congregation in worship while taking this first step.

Glorify God and enjoy God! The PC (USA)'s Westminster Catechism teaches that our bottomline, main purpose in life is to glorify God and enjoy God forever. Enjoyment is central to our life of faith! So, as we come together to worship in the sanctuary, let us glorify and enjoy God together!
